

**WORLD
ASPERGILLOSIS
DAY 2020**

“Each day to me is **a blessing** in disguise. I’ve had to learn not to be overwhelmed by having this disease and live life to **the fullest.**”
- Karen

#ThinkFungus on
#WorldAspergillosisDay
27th February, 2020

Aspergillosis is a rare but debilitating fungal lung disease.

Let’s work together to raise awareness and find a cure.
